## BURGERS

Every DB burger is made from 6 oz. of 100% local, open range-raised, antibiotic-free and growth-hormone-free beef from the Diablo Trust ranches, char-broiled & served on a **Breadworks AZ** English Muffin, with **Seasonal Greens, Tomato, Pickle, and our DB Frites**.

At 95% lean beef, we recommend your DB burger be cooked medium-rare.\* At that temperature, your burger will be pink and juicy -- and you will be able to enjoy its distinct, and distinctly-local, grass-fed flavor.

However, since opening in 2009, we've learned that medium-rare burgers aren't for everyone. We cook all of our burgers to order, taking the temp of every single burger we make. Please let us know what temperature you prefer, (rare, medium-rare, medium, medium-well, well done).\*
